Information needed for an Island cover quote:
(countertop measurements only)

1)
2)
3)
4)
5)
6)
7)

(If other side of U is larger or smaller, then measurements 2 - 6 are needed for that side.)

8) If the island has a raised counter or backsplash, what's the heigth from the main counter?

9) What is the island's main counter heigth (measure both ends and indicate which corners you measured)?

10 a) Cover fabric (circle one): Polyester or Sunbrella   COLOR?

b) Cover style (circle one): Mini Skirt (hangs 12") or Full Length

Additional information needed for ordering a form fitting island cover:

11 a) Does your island have an umbrella hole?

b) Do you want an umbrella hole with velcro strip added to the cover ($25.00)?

12 a) Where is the umbrella hole located (mark an X on the island above)?

b) What's the measurement from the front of the counter to the center of the hole?

c) The measurement from the LEFT or RIGHT side of the counter (or backsplash) to the center of the hole?

Grill Measurements:

13) Where is the grill placed on the L-Shape?   Island section 1 / Island section 2 / Island section 3

14) Grill width?

15) Grill Depth (front of grill to the back)?

16) Grill Height (from main counter to it's highest point)?

17) Grill Make?   Model (or # of burners)?

18) What is the measurement from the side of the main counter (or inside corner) to the
     LEFT or RIGHT side of the grill?

19) What's the measurement from the back of the grill to the back of the counter or backsplash?

Sink Measurements:

20) What section is the sink in?   Island section 1 / Island section 2 / Island section 3

21) What's the measurement from the cooking side of the main counter to the faucet's spout?

22) What's the measurement from the LEFT or RIGHT side of the counter to the faucet's handle?

23) What is the faucet width (handle to handle)?   Depth (back of faucet to front of spout)?

24) What is the heigth of the faucet (from the countertop)?
